The Singapore Alliance for Sustainable Palm Oil is a regionally-focused industry-led, multi-stakeholder platform open to all involved in the usage, trade and production of palm oil.
How did we get there?

VISION
A Southeast Asia where businesses are producing, trading and using 100% certified sustainable palm oil (CSPO), contributing to a more sustainable and healthier environment for all.

AIMS
To increase availability and usage of CSPO in Singapore & Southeast Asia through education and awareness activities for businesses and consumers.
